

HELLO!

SOMETHING ABOUT ME

"Have you observed the individual floating character in the center?
Yes, that's me, **Jasmeet Singh**—a skilled professional in **Graphics, Web, UI/UX, and Motion Design**. My design journey commenced over **16+ years ago**, and with each passing day, **my passion** has driven me to acquire a diverse range of creative skills, all of which are showcased in my vibrant portfolio. I am a **dedicated learner**, constantly **seeking to expand my expertise** and keep myself energized. At 37 years old, I currently reside in **West Delhi, India**. While the outcome of whether I am selected for a vital role in your corporation remains uncertain, I genuinely **appreciate your time** in reviewing my resume. If you're interested, please feel free to **explore my portfolio!**"
